APMG International™ AgilePgM®

Agile Programme Management Certification

Overview

Agile Programme Management (AgilePgM®) focuses on applying Agile principles to programmes, and on management of programmes. AgilePgM® provides a robust programme methodology that can be used standalone or in conjunction with existing programme management methodologies.

Course Outcomes

AgilePgM® is a fully accredited programme management methodology. It is intended for organisations delivering transformative change programmes where organisational strategy is complex/evolving or where some or all projects are agile, both in the private and public sectors.

Upon course completion, participants will be able to:

- Explain the purpose, scope and value of the AgilePgM ® Methodology
- Understand and explain in detail the method's principles, lifecycle and products
- Determine the applicability of AgilePgM® to a current or proposed programme
- Gain AgilePgM® accreditation
